

Supply2PCB 2020

India's First Online Expo for the
PCB & PCBA Community

19-20 August 2020

Laminates

Machinery

Materials & Consumables

Electronic Components

The Concept

Supply2PCB offers a powerful platform to suppliers of Indian PCB & EMS industries to promote their products, incl. materials, consumables, services, and machinery.

Exhibitors can showcase their products on the virtual booths located in the relevant e-halls, which visitors can review and inquire about, using easy tools like Video calls, WhatsApp chat, and more.
